The Engineering Academy is a 3-year program. More information will be provided to students selected for the Academy prior to the start of the program. Students who do not attend at least 80% of Engineering Academy sessions per year and complete necessary work may not be able to complete the program. Schedules for subsequent years will be similar and shared with Academy participants.

**Please note, this schedule is subject to change due to inclement weather or other unforeseeable circumstances. Updates will be shared with Academy students and parents or guardians.*
