

## Next Engineers: Cincinnati Engineering Camp 2023

Please read the details below before starting the application.

### Engineering Camp Overview and Schedule

The Next Engineers: Cincinnati Engineering Camp, sponsored by the GE Foundation and provided by University of Cincinnati, is open to any current 8th or 9th grader who is an **Ohio resident and living in the Cincinnati area**. Over the course of 1 week, campers will be immersed in the world of engineering, where they will develop their creativity and problem-solving skills, complete hands-on, team-based design challenges, have an opportunity to meet real-world engineers, and get a sense of college life. Camp is free of charge to all participants. Lunch and snacks will be provided. Transportation or parking validation will be provided to students living within a 10-mile radius of the University of Cincinnati Main Campus.

Engineering Camp will be held at the University of Cincinnati. Each session will run from 9 AM to 4 PM, Monday-Friday (with the exception of June 20-23 due to the national holiday of Juneteenth). This does not include transportation time. Pick-up and drop-off times will be communicated to campers before the start of each session. Students may participate in only one session. Sessions will take place the following weeks:

- **Tuesday**, June 20 to Friday, June 23, 2023 (this 4-day camp will run from 8AM to 4:30 PM due to holiday)
- Monday, June 26 to Friday, June 30, 2023
- Monday, July 10 to Friday, July 14, 2023
- Monday, July 17 to Friday, July 21, 2023

The Cincinnati Engineering Camp is managed by the University of Cincinnati and FHI 360.

### Engineering Camp Application Process

The application is due by **Sunday, March 12, 2023 at 11:59 PM**. If more than one student is applying in a family, then an application must be submitted for each student.

Black/African American, African Descent, Latinx, Indigenous students and girls are strongly encouraged to apply. Please note that **submitting a camp application form will place the student in the selection pool but does not guarantee a spot in the Engineering Camp**. Students will be selected based on a lottery system until all spots are filled. Students who have never attended Next Engineers: Engineering Camp before will be given preference over students who attended in 2022. Some students may be placed on a waiting list and granted admissions if/when spots become available. Students and parents will be notified regarding admission into Engineering Camp by Wednesday, April 5.

Scanned applications and questions may be e-mailed to [GENextEngineers@ucmail.uc.edu](mailto:GENextEngineers@ucmail.uc.edu).
